ASX Market Release

Company Update Announcement

Oriental Technologies Investment Limited (OTI) announced on 8th October 2013 that discussions were ongoing with regard to a number of matters arising out of Camel's Due Diligence and that the formal equity transfer agreement had not yet been entered into.

OTI wishes to advise its shareholders that further discussions have taken place and OTI's position is unchanged.

OTI is waiting for Camel to advise its position following those discussions.

OTI's shareholders will be informed of any developments.
